Christine,

I am meeting Heather on Friday at 10AM in comfortable shoes to walk the neighborhood. I would like to schedule a meeting with the group this Monday the 27th. Are there times that day that work for you?

Hello Sylvie:

Sarah forwarded your contact data to me. I live in Hollywoodland and am also on our councilman's advisory transition team.

We would like to share some background information with our new field

deputy and Sarah to better understand our issues relating to the unauthorized Beachwood Trailhead/opening , problems associated with Dirt Mulholland, problems associated with the illegal/unauthorized vista site and problems with the poorly supervised Lake Hollywood Park. Problem spots are located adjacent to Hollywoodland /Lake Hollywood in the former Hollywoodland Gifted Park aka Griffith Park.

When can we meet to communicate our safety concerns and hear solutions?  
Thank you
